Offering of the Mass

By virtue of the “communion of saints,” the Church commends the dead to God’s mercy and offers her prayers especially the holy sacrifice of the Eucharist, on their behalf. (Catechism of the Catholic Church). This practice dates as far back as Judas collecting a sin-offering for the dead, making atonement so they might be delivered from their sin. (2 Maccabees 12:39-45). Masses may also be offered for the intentions of the living or in thanksgiving. Masses are requested through the parish office.

Return to Vibrancy Announcement:

St. Therese of Lisieux is also called the Little Flower. All through her life she suffered with poor health, including tuberculosis. No matter the difficulties and struggles, she maintained an unselfish service to her religious order. As we work to improve the health and well-being of our parish, Little Flower; may we be reminded that we all have a responsibility in offering our service.

St. Therese said: “It isn’t enough to love. We must prove it.”

Holy Face of Jesus

The Holy Face of Jesus (shroud of Turin) will be on a billboard from the 3rd-24 April on Sask. Dr / Ottawa St. Come gaze on this Holy Face during this Easter season!

"As they were marching out, they came upon a man of Cyrene, Simon by name; this man they pressed into service to carry his cross."

Matthew 27:32

The Lord calls us to love God and to love our neighbor. Every day we are presented with opportunities to love our neighbor and help him "carry his cross." These opportunities aren't usually big events, they are usually ordinary occurrences like helping someone carry their groceries or holding the door open for them. The key is putting the other person's needs before our own and not expecting anything in return.

Food Drive

We will have our monthly Food Drive next weekend, April 8 & 9. All contributions are welcome. Thank you for sharing your treasure with those around you. Please be mind-

ful that we do not accept packaging that has been opened, items that are partially used or those beyond their expiry date.

A Word About Trauma...

Trauma and associated words are being used more now than ever. Do we know the origins of these words? Are their meanings different now than when they were first used? Each week we will explore a trauma-associated word's origins, meanings and evolution. Guilt: ('guilt) Noun: the state of having committed an offence, or remorse over action or inaction. From old English gylt: crime, sin, fault or fine" In 1690, "a sense of guilt" was first recorded, but as a misuse of its original, "guilt by association" was first used in 1941. Guilt is a negative emotion but can lead to positive change. When related to traumatic events, guilt can result in depression, shame, and anxiety.

LESSON SIXTEEN

FAQ: Is the Catechism a spiritual book in any sense? The Catechism's spirituality rests on the Trinitarian life. The relationships among the persons of the Trinity provide the model for human relationships. To put the Catechism in the context of prayer, some suggest reading Book Four (Prayer) first. It can be read from the point of view of a spiritual journey in how the Church believes, celebrates, lives and prays to assist in formation with hope of transformation by God's grace. Placing the Trinity as the organizing principle of the Catechism assures its spiritual orientation.

What does it mean that God is Triune? Quelle est la signification de Dieu qui est Trinité ?

Sacred Scripture: Genesis 1.2, 1.29 (God said: "Let Us"), Matthew 3.16 & 17, John 1.1-3, 6.27 & 14.16-26

TF#342 ChatGPT and AI with John Jalsevac - Part 2

In this part 2 of 2, Deacon Eric and Dr. Brett visit with John Jalsevac about the explosion of interest in Artificial Intelligence and ChatGPT the newest large language model AI to be opened to the general public that demonstrates remarkable capabilities and is poised to have profound effects on arts, culture and the way humans think about themselves and others. Show Snippet: "So if you want to train one of these models how to recognize a cat, for instance, what these programmers will do is they create this neural network using many computers. Then they show it images of, millions of cats, and at the end of it, it can predict that it's a cat with a high degree of accuracy. But a human being can actually detect a cat based upon a very small number. We have this capacity to see things as what they are with almost no effort."

LESSON SEVENTEEN

FAQ: Is the Catechism intended to substitute for local, approved catechisms and catechetical materials? No. The Catechism is intended to assist national and local churches in drafting new catechisms and catechetical materials. As John Paul II said in the Apostolic Constitution Fidei Depositum, "It is meant to encourage and assist in the writing of new local catechisms, which take into account various situations and cultures, while carefully preserving the unity of faith and fidelity to Catholic doctrine."

How can we summarize belief in the Trinity? Comment peut-on résumer la Foi en la Trinité ?

Watch Videos: archregina.sk.ca/group/catechetical-support-parishes/ Read the Catechism Text: CCC #s 198-200. Review the Credo Chart: In the CCCB Catechism, it is found immediately before CCC # 185, or **https://hismercy.ca/content/church_docs/catechism/credo.htm**
